

Eifel Tour 2009

Saturday 2nd May to Monday 11th May 2009

What more could you ask for than seven nights in a biker friendly hotel in the Eifel Mountains of Germany. Superb motorcycling roads set in beautiful scenery, good company, great food, German wine and bier, with a warm welcome at the Hotel Forsthaus at Riedener Mühlen. Organised rides out each day, or do your own thing. Perhaps lunch in an unspoilt medieval walled town, visit der Nürburgring (we'll take you round) Wunderlich (get saving) a dry bob sled runs, maybe a castle, a nature park, or a cruise along the Mosel. These are all on the agenda.... and much much more!

We sail on the overnight ferry from Hull to Zeebrugge on Saturday 2nd May, returning Sunday 10th May arriving at Hull at 8.30am the next morning. This is a great tour for those that haven't ridden on the continent before... you'll be looked after. Only a few rooms left, most places already booked before 'going to press'. Full route sheets, GPS info etc available before departure.

Two overnight ferry crossings (meals not included) and seven nights at the hotel with full evening meal, bed and breakfast.
